America's top retailers are already bracing for that impact. Kohl's (KSS), Home Depot (HD) and Walmart (WMT) have said tariffs will lead to higher prices on some items. The Footwear Distributors and Retailers of America, a trade association, said an escalation in tariffs on shoes would be "catastrophic." Roughly 72% of all footwear sold in the US in 2017 was made in China, according to another industry trade group.
